

6th Grade Calendar and Advisory/ACP Lessons

As you progress through the grades, Weston School District, wants you to take the opportunity to explore many careers and classes. Learn to use strategies to make your learning efficient, connect careers to your likes and interest and continually update your career portfolio.

The following calendar used to assist all 6th grade students with Career Development.

September-BE RESPONSIBLE! Review Student Handbook, Use of Planner, Organization Skills, Stop Room Procedures, 8 Minute Break
Note Taking, Test Taking and Homework Completion.

October-BE RESPECTFUL! Problem Solving, Communication With Others, Time Management

BE SAFE-Learning to Disagree Respectfully, Emotional Control, Working With Others
Bullying and Harassment

November-Leadership. How to be a Leader. How to be a good friend and classmate.

December-Goal Setting. Set a personal and school goals for the year. What could your career goal be?

January-Introduction to Career Cruising. Have you wondered what careers might match your likes and interest? The Career Matchmaker assessment will help with this. Complete the first 39 questions. Be able to discuss your findings with your advisory.
Discuss your findings with the class.

February-Introduction of Career Clusters. Discuss the 16 Career Clusters during Advisory. Complete the Learning Styles Inventory and Save results.

March-Create a My Journal entry reflecting on **learning style assessment**.
Discuss your learning style with your advisory.

April-Add at least one hobby/interest and one extra-curricular activity to My Plan. Write a report describing all the extra-curricular events that are available in middle school. Report your findings to advisory. Make a list of community service projects available in your school land community. What summer school opportunities are available for Leadership, community service, athletics and academics?

May-Has your Career Goal changed? What is your new Career Goal? What are your goals for next year? What are your plans for the summer? Write a report reflecting summer plans and report back to advisory.
